PROJECTS			
Analyzing Personal Routines Through Data Collection	<p>This project analyzes daily routines over two months using Python for data cleaning , statistical analysis , and visualization . The aim is to identify patterns and correlations between various activities and overall productivity . By examining trends and relationships in the data, the project seeks to provide actionable insights for optimizing daily habits and enhancing personal well-being . Key techniques include descriptive statistics , correlation analysis , and visualizations such as line plots and heatmaps .</p> <p>In this project every Sunday's . I will enter weekly data and i will do some plotting on that data, like line graph , bar plot and analyzes . At the end of the month integrating 4 week data and analyze it.</p>		May 2024 - Present
Brain Tumor detection using Deep learning	<p>This project aims to develop an e-healthcare platform using deep learning to automate brain tumor detection from MRI scans . By employing a Convolutional Neural Network (CNN) model , the platform provides precise and rapid diagnoses , optimizing workflow efficiency and reducing diagnostic errors for healthcare professionals and hospitals . Patients can securely upload MRI scans, receive preliminary assessments , and consult with specialists remotely . The platform enhances healthcare delivery, particularly in underserved regions, improving treatment outcomes and patient survival rates .</p>		Apr 2024 - Jul 2024
EcoKnowledge	<p>EcoKnowledge aims to raise awareness among students about nature , environmental conservation , and water saving through engaging daily quizzes . Users can sign up, log in, and access a new set of ten questions every 24 hours . The platform features leaderboards displaying the top ten users of the day and all-time top scorers , encouraging continuous participation and learning . EcoKnowledge fosters environmental education and promotes sustainable practices among students .</p> <p>(I can't Host in the web Brower some problems )</p>		Oct 2023 - Nov 2023
POSITIONS OF RESPONSIBILITY			
EXTRA-CURRICULAR ACTIVITIES			
ONE ACT PLAY	Won " YUVAJANOTSAVA -2K23 " First price in "ONE ACT PLAY" Davanagere Univaersity .		
Visthar Ranga Shale -VRS	Visthar Ranga Shale (VRS) in Kopple wok shop for 45 day's .		
Drama	In the two months of drama class we learn some many thing those are time sense , Team co-ordination , some games on team co-ordination , Acting , Facial Expressions , we enjoyed it.		
AWARDS AND RECOGNITIONS
